Jay,

Thanks a lot for the fuckin excellent tapes. Everything killed as usual, especially the EXODUS. Here's the tapes you wanted, hope ya like 'em. I'm glad to hear King's not leaving FATE, that's the worst thing that could've happened. Remember the VENOM show I told you was gonna be in Toronto, well it's been canned. IT SUCKS. But instead of that EXCITER's gonna be up there again, plus they're going to be in Rochester w/ Special Guests ASSAILANT, probably Oct. 31st. Any good shows coming to NYC? Here's the SLAYER button you wanted. I'd fuckin love it if you could get me a VOI' VOD button, and, while I'm thinking of it, don't worry, I won't give those EXODUS tracks to anybody. For next time please tape me:

It's fuckin great, although the quality could be better. Well that's it for now, THRASH TILL MEGADETH.

I've figured out the situation with the MC demos. The first two demos on your list are correct, we just have a different order of the songs. The 3rd demos IS the one with THRASHER, etc... the 4th demo IS DEATH WISH, etc... Any questions still??

I guess Stefan never taped me the live GRAVESTONE because I couldn't find it when I looked. So instead I've taped you the MANTAS demo I talked about, plus I threw on some tracks from a tape that will be on my next update by DIRECT ACTION (Hardcore). Let me know' if you like 'em, they opened for EXCITER/RAPID TEARS.
